

Privacy Policy

Information Privacy and Sharing

The Bharat Sevashram Sangha maintains privacy and confidential for all financial information like any transaction to the Sangha. The BSS does not share any contacts like address, e-mail addresses and phone numbers of any of our donors, devotees, corporates or constituents to any other parties unless we have your consent. We share receipts or donation confirmation messages only to authorized individuals or mentioned by you. To protect the privacy of our donors and their special relationship with BSS, we maintain the policies in following manner:

What data we collect through ONLINE/OFFLINE?

- Name and Age;
- Address;
- Phone number and email address;
- ID proof;
- PAN (For donation purposes only);

How will we use your data?

- We use your information for the purposes of booking of rooms and accepting donations to BSS;
- To maintain relationship with you;
- Respond to your queries and resolve complaints;
- We have to disclose your personal information to any law enforcement officials or government authorities if required.
- Detect, prevent, investigate or provide remedy for criminal, illegal, unauthorized or prohibited activities;
- Provide you with information regarding our various initiatives or updates on project progress;
- Process your donations and to provide you with the receipt and also thanking donors for donations;
- We do not trade or sell your personal information to any other agencies or organisations for any other purposes.
- Surveys, metrics, and other analytical purposes
- Internal analysis, such as research and analytics
- Comments that are provided by donors may be publicly published and may be used in promotional materials.
- Other purposes related to the fundraising operations

Anonymous donor information may be used for promotional and fundraising activities. We may use available information to supplement the Donor Data to improve the information we use to drive our fundraising efforts. We may allow donors the option to have their name publicly associated with their donation unless otherwise requested as part of the online donation process. We use data gathered for payment processors and other service providers only for the purposes described in this policy.

How do we store your data?

Our Organization uses various technological and procedural security measures to ensure the security, integrity and privacy of the personal information that we collect. We also have implemented reasonable security measures in an effort to protect against the loss, misuse and alteration of the information under our control. Personal information collected by our Organization is stored in secure operating environments that are not available to the public or not usable by any means.

Once we obtain your data, we will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy. Unfortunately, however, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your User Information, we cannot guarantee its security. You use the Services and provide us with information at your own initiative and risk. If you have reason to believe that your interaction with us is no longer secure (for example, if you feel that the security of any account you have with us has been compromised), please immediately notify us of the problem by contacting us in the below contact section.

Security We are committed to protecting donor personal information from unauthorised access, alteration, disclosure, or destruction. Among other things, we undertake a range of security practices, including measures to help secure web access to sensitive data and undertake efforts to address security vulnerabilities for various tools and databases. **Other Disclosures** We may disclose information when required by law; when needed to protect our rights, privacy, safety, property, donors, or users; and when necessary to enforce our terms of service. **Updates** We may change the Donor Privacy Policy from time to time. Any and all changes will be reflected on this page. Substantive changes may also be announced through the standard mechanisms by which we communicate with our users and community. You should periodically check this page for any changes to the current policy. **Data Retention** We seek to retain donor-related information only as needed to fulfil the purposes described in this policy unless a longer retention period is required by law or regulations. For example, tax laws in the India may require the Foundation to keep contact information and contribution level of donors on file. **Rights** You have certain rights with respect to the information we collect about you. Upon request, we will tell you what information we hold about you and correct any incorrect information. We will also make reasonable efforts to delete your information if you ask us to do so, unless we are otherwise required to keep it.

Data Retention

Our Organization will only retain your personal data following your application for a period of time depending on the category of data and the purposes for which we hold it. We will only retain your data after this time if we are required to do so to comply with the applicable laws of India.

Global Communication

As we operate globally, data we collect may be transferred to, stored and processed in any country where one or more entities associated with the BSS are based or have facilities in. While other countries or territories may not have the same standards of protection or data retention policy as those in your home country, we will continue to protect personal data that we transfer in line with this privacy policy.

Third Party Payment Receiver

Information from Payment Processors and Other Service Providers: Payment processors allow donors to give electronically using a payment services account, a credit card, or other payment

method. These processors collect certain information from donors, and you should consult their privacy policies to determine their practices.
